## Emergency Handheld Eye, Face and Body Wash

D5022

A wall mounted, handheld eye, face and body wash with two nozzles. Developed to suit hazardous environments where there is a risk of small spillages of chemicals or dangerous substances.

The 1.5m of reinforced hose makes these handheld units particularly useful for treating disabled personnel. The lock-on actuating button for ease of use meets European and international standards.

Fitted with dust covers, a non-return valve and a flow regulator.
